Welcome To Pheasantland Industries

Director's Note

Happy Holidays

As we prepare for this busy holiday season, it is a time to reflect on the cherished things in life. When we think about what are those things that enrich our lives, those things that are hard to live without, they would have to be your family and close friends. The gift of family and the gift of friendship enrich our lives in significant ways. Let us remember family and friends who cannot be with us and others who are less fortunate than ourselves.

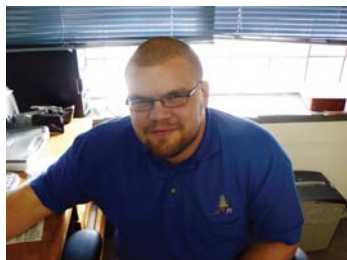

We, at Pheasantland, appreciate the support of each and every one of you. As the year comes to a close and before we usher in the new one, we want to take this opportunity to express our appreciation for your business.
